

Q2 Home Learning (Key Skills)

Wb. 1.06.20

Hello Q2!

I hope you enjoyed the fantastic weather this half term and had a good rest ready to start again.

Thank you so much for the wonderful work you have been sending and for continuing to check your emails, the website and accessing seesaw. Keep uploading your great work/photos or email them to DINOSAURS@mayfield.bham.sch.uk.

For the first week of this new term, **I have set you all individual Maths, English & Science work** concentrating on those things you need to keep practising. Please make sure you look at your email and seesaw for details from Monday. In addition, please see below for general guidance:

- **Science**

Look at <https://www.bbc.co.uk/bitesize/topics/zpxnyrdgrowing>. Discuss what plants need to grow; name the parts of a plant (roots, stem, leaves, flower) and talk about the life cycle of a plant.

Complete your individual worksheet (find it on seesaw/email).

- **Topic**

Grow your own sunflowers! Watch Dobbies guides on youtube

<https://www.youtube.com/watch?v=noOsQZxpjRc>. If you aren't able to get sunflower seeds, ask your adult if you can help plant some plants with them.

Take a photo!

Website of the week:

In addition to sumdog and bug club, which you should all have logins for and can access as and when you want to (please let me know if you need any help!), check out:-

<https://www.virtualmusicalinstruments.com>

Practise playing the piano, guitar, pan flute, drums and bongos!

Just for fun!
