

Ask someone to write a times table fact but miss out some of the numbers. Can you identify the missing numbers?

Draw your facts as arrays. How many different arrays can you draw for the same fact?

Choose one of your times table facts and write it as a word problem for someone else to solve.

Get creative and turn your times table facts into a fun rhyme or rap.

Get competitive
and play a game of
'snap' by matching
the times table
facts to the correct
answers.

How many times
can you write each
of your times table
facts in 30 seconds?
Can you improve
your score?
