

Job Interview

I can gather more information about jobs and careers.

This is your chance to find out about the world of work. Choose someone you know, who you think has an interesting job, and ask them some of these questions to find out about how they started working in their chosen career.

The person I am interviewing is _____

What is your job?

Was this what you wanted to be when you were younger?

How did you become interested in the job you now do?

How many jobs have you had and what were they?

Did you need any qualifications to get your job?

Can you tell me a little bit about your job and what you do?

What skills do you need to have to be successful at your job?

Do you enjoy your job? Why?

What are some of the challenges you face in your job?

What type of person would you recommend your job to?
