As soon as your child joins Mayfield School, whether that is at EYFS or as a primary-aged transfer, they will receive **careers** education through the **PSHE** strand of our GET REAL curriculum. The entire curriculum has been designed with consideration as to your child's **next steps** upon leaving Mayfield.

Year 7
onwards

The **Baker Clause** (statutory legislation) stipulates that schools provide opportunities for a range of education and training providers to have access to pupils in years 8-13 to talk to them about **technical qualifications and apprenticeships**. At Mayfield we introduce our **Careers Programme** in **year 7**, which encompasses the above alongside a diverse range of opportunities for students, and in doing so meets the requirements of the eight **Gatsby Benchmarks**.

Post-19

Pupils in year 9 begin a **transition** process, where they and their families are invited to meet with the Trust's **Careers Advisors** to explore education pathways available after year 11. Pupils have a 1:1 meeting with their CA and receive a **Career Action Plan**. In Key Stage 4, families submit a Post-16 **preference form** to SENAR naming at least one setting and apply directly to the setting(s). A decision is then shared with families by 31st March of academic year 11.

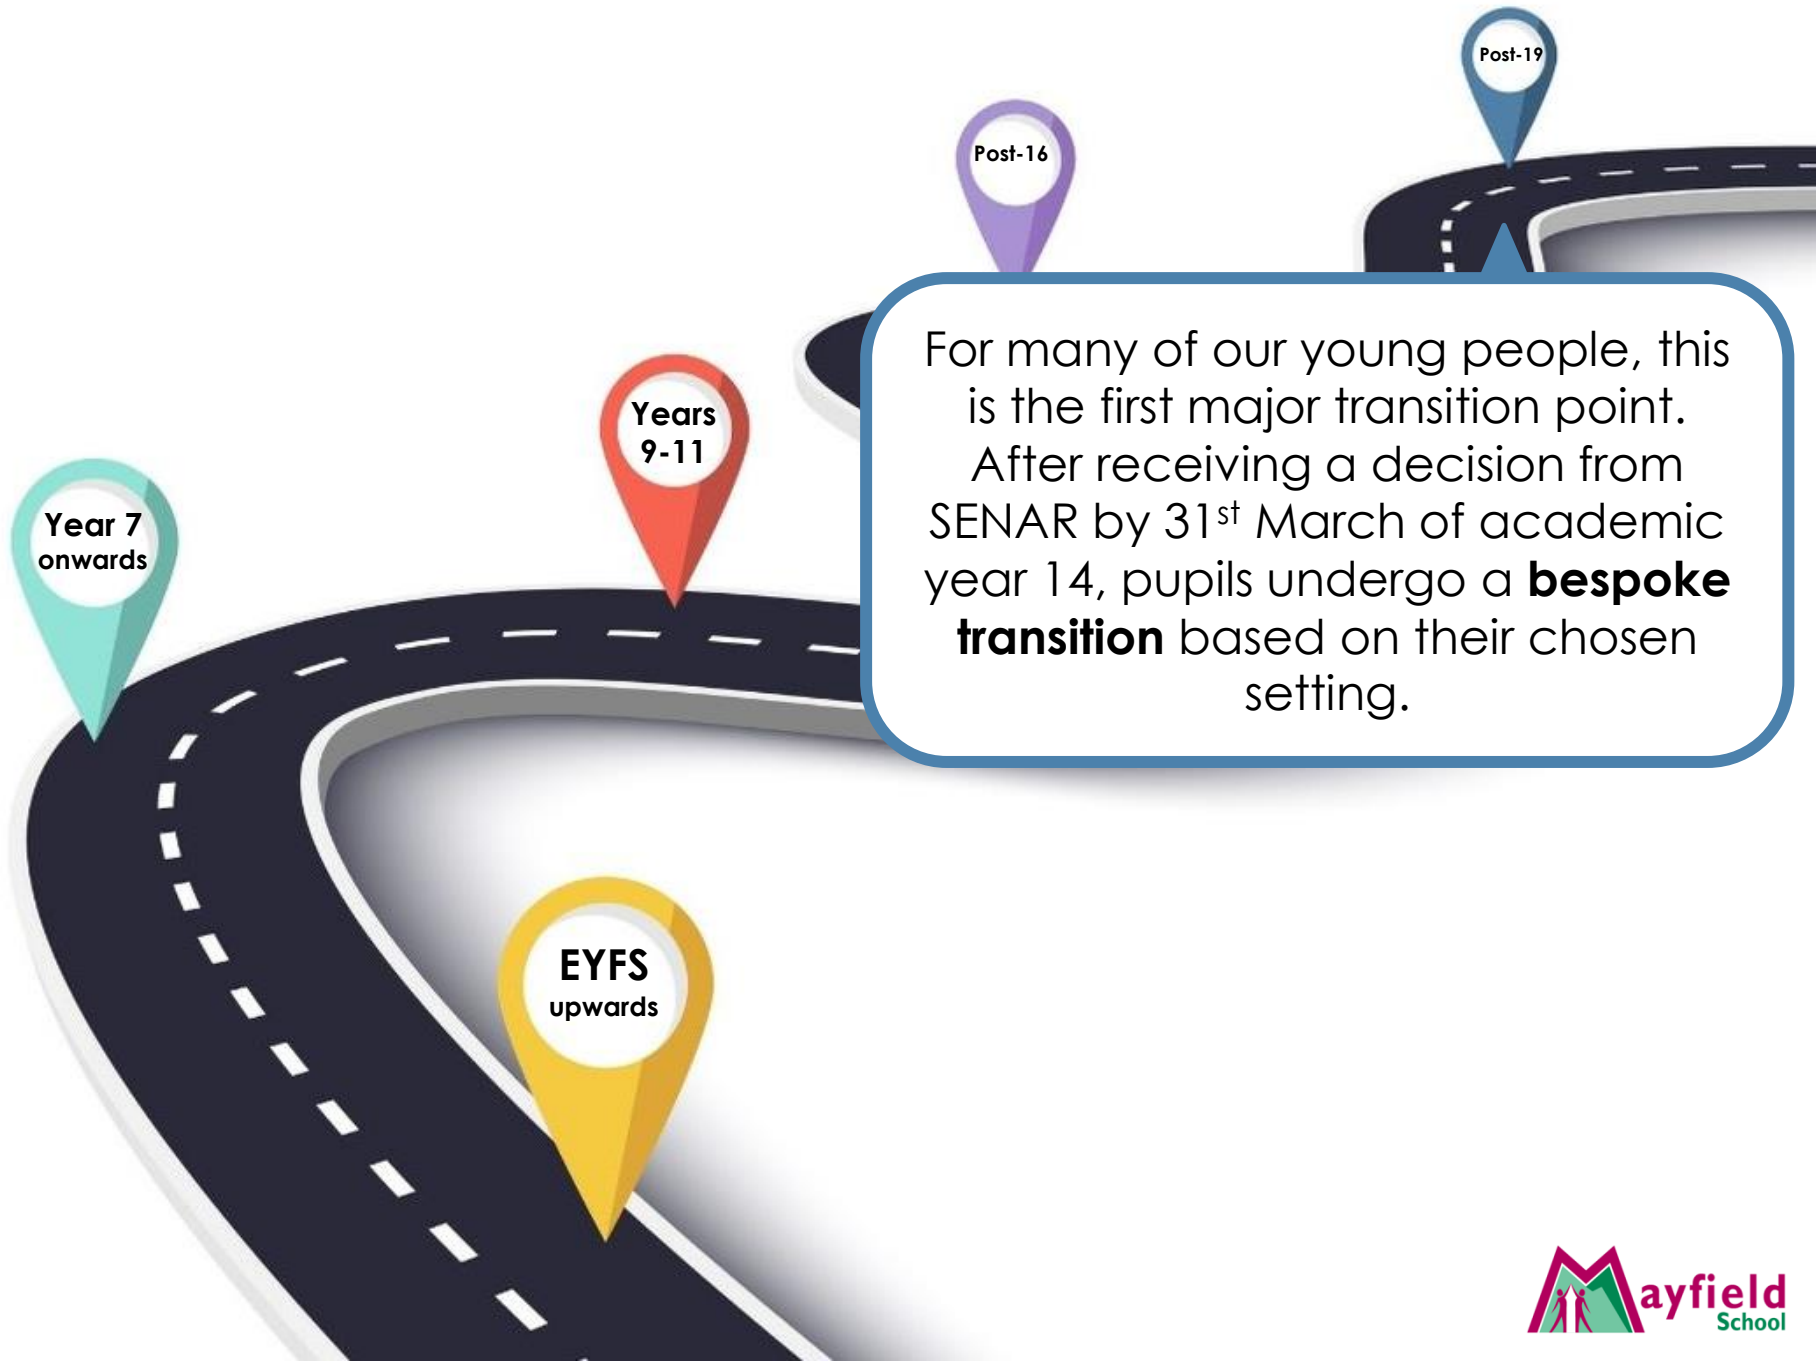

Year 7
onwards

If your child is a post-16 transfer, or chooses to continue their education at Mayfield's Sixth Form, they will undergo a similar **transition** from year 13 onwards. Alongside the **Birmingham Local Offer**, post-19 options also include Health and Social care-funded pathways.

For many of our young people, this is the first major transition point. After receiving a decision from SENAR by 31st March of academic year 14, pupils undergo a **bespoke transition** based on their chosen setting.

Careers - Parent and Carer Survey

A smartphone is shown at an angle, displaying a survey form. The form has a purple header with the text 'Careers - Parent and Carer Survey'. Below the header, there is a section for 'Required' questions. The first question is '1. Name of student *' with a text input field below it containing the placeholder 'Enter your answer'. The second question is '2. Full name of parent/ carer *' with a text input field below it containing the placeholder 'Enter your answer'. The third question is '3. What best describes your child's post-16/ post-19 route? *' with a dropdown menu icon to its right. The background of the slide features a stylized road with dashed white lines and several location pins in various colors (purple, blue, green, yellow) with labels 'Post-16', 'Post-19', 'Years 9-11', and 'Year 7 onwards'.
